

Digitally Printed Studio/Theatre Backdrop Price List

Size M²:	Price Per M²:
Up to 10	£26.00
Up to 20	£20.00
Up to 30	£18.00
Up to 40	£16.00
Up to 50	£14.00
Up to 75	£12.00
Up to 100	£11.00
Up to 200	£10.00
Up to 300	£9.00
Up to 400	£8.00
Up to 500	£7.00
Above 500	£6.00

All of the above prices exclude shipping and V.A.T and are based on an image printed on standard ink jet compatible fabric. For other specific fabrics an additional charge may be added. Please contact us for details. Prices do include stitching and eyelets where necessary.

Order Process:

When ordering a digitally printed backdrop, a high resolution picture/photograph of the desired image will be requested. Discussion will then be made in order to ascertain which fabric should be used and to find out any other requirements. Payment can then be made - a part payment will be accepted in some cases. Production times do vary and are usually over a month.

Glossary

Digital Printing: Printing of a given image with the use of a computer.

High Resolution: High degree of visible detail.

Eyelets: Metal ringed holes for threading rope/string through (to fasten backdrop).

Ink Jet: A method of printing that uses minute jets of ink.
