Order Process:

When ordering a hand painted scenic backdrop a picture/photograph of the desired scene will be requested. This will be studied and discussion made to ascertain which level of painting should be used. Once decided an order can be placed and payment made, a part payment will be accepted in some cases. Production times do vary and are usually over a month.

Glossary

Semi: Semiscenic, detailed only at perspective front, centre blurred, mostly tonal.

Scenic: Only background is less detailed. Beaches, forests, deserts etc.

Super: Superscenic. Images with realistic objects. Daylight city scapes etc.
